Saturday

Men's Group Bible study

It's hard to believe that it has been three years since the very first mid-week Bible study in our home. On Thursday, February 16, 2017, seven Hondurans from Corquín came into our home to hear about the good news of Jesus Christ. Church Planters from Santa Rosa, who worked for Mission UpReach, drove an hour to reach us and give the first message. This continued for the first year as we worked to improve our language skills. We are so very grateful for their partnership with us in the gospel. Every Thursday, a few more individuals would join us, and we began having personal Bible studies throughout the week. On Sundays we would travel by bus to Santa Rosa, bringing all that wanted to go with us. Sometimes there were only a few, but by 2018, we were running out of room! The last Sunday of October 2018, was our final Sunday in Santa Rosa as we began to meet in Corquín. God has continued to grow His church, and the last Sunday of October 2019, just one year later, was the send-off celebration for our Potrerillos church plant. We are continually amazed by God's love and ability to call the lost to himself.

On Sunday, February 16, 2020, 110 souls from Corquín and the surrounding communities where we are working, met together to worship God and to celebrate what He is doing in our lives. Praise God for His redemptive work!

Three New Sisters in Christ

Meet Aracely, Norma, and Joba. These three women just put on their Lord in baptism on February 14th in a nearby river. They have been studying the Bible and attending church for a long time and finally decided to turn their lives over to Jesus. Praise God! Please be in prayer as they continue to study and mature in their faith. Aracely and Joba live in Potrerillos and Norma lives in Corquín.

Sign Language Class (LESHO)

MUR in Santa Rosa is offering free Honduran sign language classes on Saturday afternoons. There is a group of about 10-12 that travel from Corquín to take advantage of this class. We are excited about this amazing opportunity and potential to reach out to the deaf in our community. Please ask God to grant us the ability to learn and use this knowledge to His glory to spread the good news to those who have been without the means to hear about Jesus.

Bootcamp

This new year begins a new Bootcamp series. We are so excited to see how God uses this Mission UpReach program to reach and equip the people of Corquín and surrounding communities. Bootcamp is a four-day three-hour per day intensive bible teaching program offered five times a year. Each week a different topic is taught. Tests are given and last year was the first "Bootcamp Graduation." We are hoping to offer all new classes this year for those who attended bootcamp last year as well as offer the first level of classes for those who missed out. These will be taught during the same week at the same time, just in different classrooms. Please pray that all those taking these classes will grow in their desire to live wholehearted lives for Christ.
